# Sunbeam MultiChopper Plus (PR16790)

<https://ilcaustralia.org.au/products/16790>

An electrically operated chopper and blender which plugs into a mains power outlet. The MultiChopper is able to be operated with one hand with the motor being activated by pushing down on a palm sized button on the top of the jug. It is made of plastic and glass with stainless steel chopping blades.

*Sunbeam MultiChopper Plus*

## Maintenance

Refer to the supplier and manufacturer manual for maintenance instructions and safety warnings.

## Standards

Some assistive technology needs to meet Australian or other standards. Standards may relate to materials, manufacturing, and installation. Products that meet Australian or international standards will have written certification. To find out if a product meets Australian Standards ask the supplier to show you the certificate. For more information about standards see [http://www.ilcaustralia.org.au/Using\\_Assistive\\_Technology/standards\\_regulation](http://www.ilcaustralia.org.au/Using_Assistive_Technology/standards_regulation)
