Peta Easi-Grip Garden Hand Tools (PRO4153)

<https://ilcaustralia.org.au/products/4153>

A range of stainless steel, lightweight gardening hand tools with enlarged plastic handles that are set at right angles to the tools. The handle was designed to enable a stronger fist type of grip and a more stable wrist position when using the tool. The range includes a weeder, cultivator, fork and trowel.

Maintenance

Refer to the supplier and manufacturer manual for maintenance instructions and safety warnings.

Standards

Some assistive technology needs to meet Australian or other standards. Standards may relate to materials, manufacturing, and installation. Products that meet Australian or international standards will have written certification. To find out if a product meets Australian Standards ask the supplier to show you the certificate. For more information about standards see http://www.ilcaustralia.org.au/Using_Assistive_Technology/standards_regulation
